Record of
Births Deaths and Burials, and also of
Marriage Certificates,
for South Kingstown Monthly Meeting
of Friends in
Rhode Island.

In consequence of the loss of its Records by South Kingstown Monthly Meeting, they having been withheld from it by Timothy C. Collins, a former clerk; in which act of injustice he had the subsequent advice and encouragement of a Committee of the Yearly Meeting, several months before any of those undisciplinary & oppressive measures were taken to dissolve said Monthly Meeting, which were afterwards resorted to; it has become necessary to collect and place upon record the births deaths and burials of Friends of the said Monthly Meeting so far as the same can now be correctly ascertained. — This book has been procured for that purpose, and this statement is given to explain why the records go no further back, and to account for any deficiencies which may be observed therein.

We feel the loss of our Records very deeply, but have thought it better to submit to it, though so much more to be regretted than any mere loss of property, rather than to enter into a contention in the law respecting them.

There having been a separation within New England Yearly Meeting of those who have adopted or become responsible for the unsound doctrines of Joseph John Gurney; such as have united in that separation are generally here omitted. It has however been thought best where practicable, to insert all the members of each family named, notwithstanding some of them may have removed or become separated from Friends. ———
